On September 9, 2011, the Court issued an Amended Order (#43) granting in part and denying in part Plaintiff's Motion for Summary Judgment, incorporating findings of fact and conclusions of law. On September 15, 2011, Plaintiffs filed a proposed order and judgment (#44). We have previously indicated in our Order (#43) that judgment shall not be entered until all parties and all claims have been adjudicated.

The Court denied summary judgment against Defendant Billy Patton, and the action is stayed against Defendant Robert Turner due to bankruptcy. It appears that Defendant Billy Patton has not participated in the action after withdrawal of counsel, and

1 Plaintiffs may seek appropriate relief in the form of a default.
2 The Court declines to enter judgment at this time while the action
3 remains open against Defendant Billy Patton and Defendant Robert
4 Turner. Plaintiffs' proposed order and judgment (#44), which we
5 treat as a motion for entry of judgment, is **DENIED**.
